A weekly update is sent to the CSA member of what is available, orders are taken Thursday thru Sunday evening and pickup is the following Tuesday and Wednesday between 4:00 and 6:00 p.m. Your share payment pays for all of your veggies until your account is empty.
Being a CSA member also means that you share in the risk that the farmer takes. Occasionally a crop may fail or there may be few of a certain product. Your share allows you equal access to what the farmer has available.
When you order, it is important for you to pickup, if you fail to pickup, your account is still charged for the harvest. We will hold your share for you for one day after which we will sell or compost the produce.
